

## SCIENTIFIC BOARD

**Prof. Jerzy Jasieńko** (construction engineering) - Wrocław University of Technology (Poland) - chairman

**Prof. Maria Jolanta Żychowska** (architecture, conservation of monuments) - Cracow University of Technology (Poland)

**Prof. Maria Teresa Bartoli** (architecture) - University of Florence (Italy)

**Prof. Calogero Bellanca** (history of architecture, conservation of monuments) - Sapienza University of Rome (Italy)

**Prof. Stefano Bertocci** (architecture) - University of Florence (Italy)

**Prof. Mario Dozzi** (history of architecture, conservation of monuments) - Sapienza University of Roma (Italy)

**Prof. Tiago Miguel Ferreira** (structural engineering) - University of Minho (Portugal)

**Prof. Yulia Ivashko** (history of architecture, conservation of monuments) - Kyiv National University of Construction and Architecture (Ukraine)

**Prof. Wolfram Jaeger** (construction engineering) - University of Dresden (Germany)

**Prof. Andrzej Kadłuczka** (history of architecture, conservation of monuments) - Cracow University of Technology (Poland)

**Prof. Tatiana Kirova** (conservation of monuments) - Turin University of Technology, University Uninettuno in Roma (Italy)

**Prof. Andrzej Koss** (conservation and restoration of works of art) - Academy of Fine Arts in Warsaw (Poland)

**Prof. Kazimierz Kuśnierz** (history of urban design, conservation of monuments) - Cracow University of Technology (Poland)

**Prof. Dominika Kuśnierz-Krupa** (history of urban design, conservation of monuments) - Cracow University of Technology (Poland)

**Prof. Jadwiga Łukaszewicz** (conservation and restoration of works of art) - Nicolaus Copernicus University in Toruń (Poland)

**Prof. Emma Mandelli** (architecture, urban design) - University of Florence (Italy)

**Prof. Czesław Miedziałowski** (construction engineering) - Białystok University of Technology (Poland)

**Prof. Claudio Modena** (construction engineering) - University of Padua (Italy)

**Prof. Susana Mora Alonso-Muñoyerro** (history of architecture, conservation of monuments) - Technical University of Madrid (Spain)

**Professor Andre de Naeyer** (architecture) - University of Antwerp (Belgium)

**Associate Prof. Piotr Rapp** (construction engineering) - Poznan University of Technology (Poland)

**Associate Prof. Jolanta Sroczyńska** (conservation of monuments) - Cracow University of Technology (Poland)

**Associate Prof. Klaudia Stala** (archeology) - Cracow University of Technology (Poland)

**Associate Prof. Bolesław Stelmach** (architecture, urban design) – National Institute of Architecture and Urban Planning, Lodz University of Technology (Poland)

**Prof. Angelo Di Tommaso** (construction engineering) - University of Bologna (Italy)

**Prof. Guido Vannini** (archeology) - University of Florence (Italy)
